Markham Street Jump St Phase II - 080636

Dear Mayor Castleberry:

The Metroplan Board has approved the City of Conway's request for funds for Markham Street Jump St. Phase II construction. Metroplan will provide \$1,500,000 in federal Surface Transportation Program funding. This grant requires a cash match of \$375,000 and is scheduled for obligation in federal fiscal year 2020.

I will request that ArDOT update the project agreement to reflect these additional funds from Metroplan.

Sincerely,

Casey R. Covington  
Deputy Director
